Wire reinforced rubber fuel dispensing hose and fuel dispensing hose assembly for fuel dispensing pumps Type 3, Grade M, Single wire braided (as per EN 1360:2013) with reusable and non-reusable fittings.	Polyhose, Exitflex 3/4" and 1"	2	Non-electrical Ex equipment

Technical documentation:

The following documentation has been received and stored:

Document No	Document Name
TCF/ATEX/06 Dated 25-March-2026	TCF for Wire reinforced rubber fuel dispensing hose and fuel dispensing hose assembly for fuel dispensing pumps

Terms and conditions

The product liability rests with the manufacturer, his representative or, in the absence of a representative, the importer, in accordance with the General Product Safety Directive 2001/95/EC

The following conditions may render this acknowledgement invalid:

- Changes in the design or construction of the product.
- Changes or amendments to the referenced directive(s).
- Changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the directive(s).

Conformity declaration and marking of product

In order to fully meet with the requirements of the Directive and legally affix the CE mark, the manufacturer must take all measures necessary to ensure that the manufactured product comply with the technical documentation and with the requirements of the Directive and finally draw up an EU Declaration of Conformity.
